

MOHAMADMAHDI ESMAILIYAN YAZDI

Computer Science Student at University of Tehran

+98 996 266 6168 email: esmailiyan@ut.ac.ir <https://linkedin.com/in/mohamadmahdi-esmailiyan-4b845b310/>
Tehran / Iran

SUMMARY

Computer Science student at the University of Tehran focused on robotics, embedded systems, and algorithmic programming. Medalist and top finisher in national/international competitions (RoboCup, AI contests, ISIC). Experience spans microcontroller firmware, Python/C++ simulation. Interested in Artificial Intelligence and Data Science.

HONORS & AWARDS

- **ISIC 2024 - Skin Cancer Detection**
the Silver Medal in the ISIC 2024 - Skin Cancer Detection competition!
- **RoboCup 2021 Asia-Pacific**
Second place in Junior Soccer League of IranOpen2021 Asian tournament. (Individual Game) and Third place in Junior Soccer League of IranOpen2021 Asian tournament. (Super-Team Game)
- **RoboIUT 2022 - Industrial Challenge League**
First place in National Robotics Competition.
- **AICup 2022 - Artificial Intelligence**
Second place in the artificial intelligence and programming national competition.

EXPERIENCE

- 10/2025 - Present

Location

●

Head Teaching Assistant
University of Tehran
in Basic Programming course - Dr. Leila Ghanbari
- 10/2025 - Present

Location

●

Teaching Assistant
University of Tehran
in Calculas 1 course - Dr. Mino Kamrani
- 02/2025 - 09/2025

Location

●

Teacher Assistant
University of Tehran
in Basic Programming course - Dr. Fatemeh Ziaeetabar
- 02/2025 - 09/2025

Location

●

Teaching Assistant
University of Tehran
in Fundamentals of Combinatorics - Dr. Morteza Mohammad-Noori
- 09/2024 - 09/2025

Location

●

Teaching Assistant
University of Tehran
in Probability and Distribution Theory course - Dr. Elahe Momeni
- 05/2025 - Present

Location

●

Software Engineer
Tejarat Hooshmand Sharif (THS)
- 08/2023 - 03/2024

Location

●

Computer Olympiad Teacher
National Organization for Development of Exceptional Talents (Sampad)
- 08/2019 - 02/2021

Location

●

C++ Programmer
Nesfe-Jahan Robotics Team (NJRT)
Microcontroller Programmer for Junior Soccer Robots

EDUCATION

- 09/2023 - 09/2027

●

Bachelor's degree, Computer Science
University of Tehran
- 09/2025 - 09/2027

●

Minor, Psychology
University of Tehran
- 01/2017 - 12/2023

●

High School Diploma, Mathematics & Physics
National Organization for Development of Exceptional Talents (Sampad)
